

Trainer Certification Terms

Version 1.0 Effective date September 9, 2026

These Terms govern enrollment in and participation in the AXS INTIMFLEX Trainer Certification Program offered by InStars Inc. They form a binding agreement between InStars Inc. and each participant or, for a participant aged 16 or 17, the participant and the accepting parent or legal guardian.

1 Parties and acceptance

In these Terms, InStars Inc. is referred to as AXS, we, us, or our. The person enrolled in the Program is referred to as the participant or you. By selecting the acceptance checkbox, paying any amount, accessing Program materials, or participating in the Program, you agree to these Terms.

If you are 16 or 17, your parent or legal guardian must separately accept these Terms, authorize your participation, and assume responsibility for payment. We may request proof of age, identity, or authority. Persons under 16 may not enroll.

2 Program and schedule

The first cohort begins October 12, 2026. The structured training period lasts one month. A two-month practice and assessment period follows. Program access runs for three months, from October 12, 2026 through January 12, 2027, unless we extend access in writing.

The Program is delivered online and may include recorded lessons, live sessions, assignments, technique review, feedback, teaching practice, examinations, and other materials selected by AXS. The primary AXS INTIMFLEX method is included and does not need to be purchased separately.

3 Tuition deposit and payment

Tuition is USD \$2,499. Where offered, you may reserve a place by paying a USD \$499 non-refundable deposit. The deposit is credited toward tuition. The remaining USD \$2,000 is due no later than October 10, 2026.

Failure to pay the balance on time may result in cancellation of enrollment, loss of the reserved place, and retention of the deposit. All prices are in United States dollars. You are responsible for bank fees, currency conversion charges, and taxes imposed on you by law. Payments may be processed by Stripe or another disclosed payment provider.

4 Refund and cancellation policy

The USD \$499 deposit is non-refundable, including when tuition is paid in full, except where a refund is required by law.

Before access to substantive training materials is provided, you may request cancellation in writing. If you paid in full, the refundable portion is limited to USD \$2,000. Access to an orientation or messaging group alone does not count as access to substantive training materials.

After substantive training materials are made available to you or the Program begins, whichever occurs first, all amounts paid are non-refundable, except where required by law. No refund is

provided for non-attendance, failure to complete assignments, personal scheduling conflicts, technical problems under your control, dissatisfaction after access, failure to sit for an exam, or failure to meet certification standards.

If AXS cancels the Program and does not provide a reasonably comparable replacement or rescheduled cohort, AXS will refund the amount you paid. Approved refunds are processed within 10 business days, although your financial institution may require additional time.

5 Participant responsibilities

You must provide accurate information, use your own identity, follow instructions and deadlines, behave professionally, and maintain suitable internet access and equipment. You may not impersonate another person, submit another person's work, use unauthorized assistance, record private sessions without permission, harass others, or interfere with the Program.

AXS may remove or suspend a participant for fraud, unsafe conduct, harassment, material disruption, non-payment, unauthorized sharing, intellectual property misuse, or another material breach. Refund rights after removal are governed by Section 4.

6 Assessment retake and certification

Payment and attendance do not guarantee certification. You must complete required work and demonstrate the competence established by AXS. AXS may use reasonable professional judgment when evaluating technique, teaching ability, safety, communication, and completion requirements.

One online retake is included and must be completed during the two-month assessment period. No additional attempt is promised. AXS may require corrective work before a retake.

A participant who satisfies all requirements receives a personalized AXS INTIMFLEX Academy Certified Trainer certificate with a unique certificate number. The certificate confirms successful completion of this private professional training program. It is not a government license, academic degree, or guarantee of recognition by any regulator, employer, insurer, or third party.

7 Rights after certification

A valid Certified Trainer may independently provide personal and group sessions online or in person, set prices, arrange a schedule, and build a client base under the trainer's own name or independent brand, subject to applicable law.

Certification alone does not grant an active trademark license. It does not authorize you to operate under the AXS INTIMFLEX name, use an AXS logo for promotion, open an AXS studio or academy, certify trainers, issue AXS certificates, sublicense rights, represent yourself as an employee or agent of AXS, or claim an exclusive city, state, region, or country. Approved brand use is available only under a separate active AXS INTIMFLEX Trainer Membership or another written agreement.

8 Intellectual property and confidentiality

AXS and its licensors retain all rights in the AXS INTIMFLEX name, trademarks, logos, curriculum, methods as expressed in protected materials, videos, graphics, manuals, assignments, examination content, trainer materials, and other content.

Your access is personal, limited, revocable, and non-transferable. You may not copy, record, publish, upload, sell, distribute, translate for distribution, share login credentials, provide materials to third parties, train or certify other trainers with the materials, create a competing certification program from them, or remove ownership notices without prior written permission. Confidential examination materials and trainer-only resources must remain confidential.

9 Health safety and professional responsibility

The Program provides fitness and educational information and is not medical diagnosis or treatment. Participation involves physical activity and carries risks, including strain, pain, falls, aggravation of an existing condition, and other injury. You are responsible for determining whether participation is appropriate and for obtaining medical clearance when needed.

After certification, you operate independently. You are responsible for applicable permits, insurance, taxes, facilities, client screening, safety, professional scope, advertising, payment collection, and compliance with local law. AXS does not supervise your independent business and does not guarantee clients, leads, employment, income, revenue, profit, or business success.

10 Certificate integrity

The certificate normally remains valid without a recurring fee. AXS may suspend or revoke it for proven fraud in admission or assessment, falsification or alteration of a certificate, material unauthorized sharing of protected materials, unauthorized certification of others, serious misuse of the AXS brand, or material misrepresentation of status. Where practical, AXS will provide written notice and an opportunity to respond before a final decision.

11 Program changes and force majeure

AXS may make reasonable changes to instructors, sequence, platforms, lesson timing, or delivery methods while preserving the Program's material educational purpose. AXS is not responsible for delay or interruption caused by events beyond reasonable control. AXS may reschedule affected services or provide a reasonably comparable replacement. Section 4 applies if AXS cancels without replacement.

12 Disclaimers limitation and indemnity

To the fullest extent permitted by law, the Program and materials are provided without warranties not expressly stated in these Terms. AXS is not liable for indirect, incidental, special, exemplary, or consequential damages, lost profits, lost opportunities, or losses arising from your independent business. AXS's aggregate liability arising from the Program will not exceed the amount you paid for the Program. This limitation does not exclude liability that cannot lawfully be limited.

You agree to defend, indemnify, and hold harmless InStars Inc. and its owners, officers, personnel, contractors, and licensors from third-party claims arising from your independent services, unlawful conduct, material breach, unauthorized brand use, or infringement of another person's rights, except to the extent caused by AXS's own unlawful conduct.

13 Dispute resolution

Florida law governs these Terms, without regard to conflict-of-law rules, except that the Federal Arbitration Act governs the arbitration provision. Mandatory consumer rights that cannot lawfully be waived remain in effect.

Before filing a claim, a party must send a detailed written notice to the other party and allow 30 days for good-faith resolution. Notices to AXS must be sent to axs.intimflex@gmail.com and InStars Inc., 2335 NE 186th St, Miami, FL 33180, United States.

Any unresolved dispute will be resolved by binding individual arbitration administered by the American Arbitration Association under its applicable Consumer Arbitration Rules. Arbitration may be conducted remotely unless an in-person hearing is required. Claims may not be brought or resolved as a class, collective, consolidated, or representative action. Each party waives trial by jury to the extent permitted by law.

Either party may bring an eligible individual claim in small claims court. AXS may seek temporary or injunctive relief in the state or federal courts located in Miami-Dade County, Florida, to protect intellectual property, confidential information, or prevent unauthorized brand use.

14 General terms

These Terms, the Privacy Policy, and the Health and Fitness Disclaimer form the entire agreement concerning the Program. If a provision is unenforceable, it will be limited or removed only to the minimum extent necessary, and the remainder will continue. You may not assign your rights. AXS may assign this agreement in connection with a merger, reorganization, sale, or transfer of the Program. Failure to enforce a provision is not a waiver.

AXS may update these Terms prospectively. The version accepted at checkout governs your purchase unless a later change is required by law or accepted by you. The English version controls to the extent permitted by law.

Trainer License and Membership Agreement

Version 1.0 Effective date September 9, 2026

This Agreement governs the optional AXS INTIMFLEX Trainer Membership and associated limited brand license offered by InStars Inc. to eligible certified trainers.

1 Eligibility and separate status

Membership is available only to eligible AXS INTIMFLEX Academy Certified Trainers approved by AXS. Certification and Active Licensed Trainer membership are separate statuses. Membership is optional and is not included in Program tuition. A certificate remains valid after cancellation unless separately suspended or revoked under the certification integrity rules.

2 Fee automatic renewal and consent

Membership costs USD \$150 per month. There is no free trial. By subscribing, you expressly authorize InStars Inc. and its payment provider to charge the payment method on file USD \$150 each month until cancellation. The billing date generally repeats on the corresponding calendar day.

AXS will clearly disclose the recurring nature, amount, frequency, and cancellation method before enrollment and record your affirmative consent. You must keep payment information current. AXS may suspend benefits for failed payment.

3 Cancellation and refunds

You may cancel through an available online account function or by emailing axs.intimflex@gmail.com. Cancellation stops future renewals and takes effect at the end of the current paid billing period. You retain active benefits until that date unless membership is suspended for breach.

Fees for a billing period that has begun are non-refundable and are not prorated, including for partial use, inactivity, removal of a directory profile caused by your failure to provide required information, or cancellation during the period, except where required by law. A cancellation request received after a renewal charge applies to the next renewal.

4 Fee and agreement changes

AXS may change future fees or material recurring-payment terms with at least 30 days' advance notice or any longer notice required by law. A changed price will apply only to a future billing period after notice. If you do not agree, cancel before the change takes effect.

5 Limited brand license

While membership is active and you remain in good standing, AXS grants a limited, personal, non-exclusive, non-transferable, non-sublicensable, and revocable license to use only approved AXS

INTIMFLEX names, designations, and brand assets for sessions personally provided by you, strictly under current Brand Guidelines and quality requirements. No ownership is transferred.

6 Status and benefits

An eligible member may use the approved designation AXS INTIMFLEX Active Licensed Trainer. Benefits may include approved brand assets, a personal profile in the official Trainer Directory with city, country, contacts, and certificate number, trainer materials, updates, professional resources, a private community, and Academy support.

AXS promotes the website to an international social media audience, which may allow prospective clients to find and contact trainers for local or online sessions. A directory listing is an opportunity to receive inquiries, not a promise of placement priority, minimum traffic, leads, clients, revenue, or results. You are responsible for accurate profile information and direct relationships with clients.

7 Zero percent royalties

AXS charges 0% royalties on fees from personal or group classes personally taught by you as an independent trainer. The fixed monthly membership fee remains payable. The zero-royalty term does not cover branded studios, academies, franchises, multi-location operations, teacher training, sublicensing, or services delivered primarily by hired trainers. Those activities require a separate written agreement.

8 Restrictions

Membership does not authorize you to open an AXS INTIMFLEX Studio, Center, Academy, or other branded business or location; use AXS INTIMFLEX as your primary company or DBA name; register confusing domains, social handles, apps, or trademarks; certify trainers; issue AXS certificates; sell teacher training; sublicense rights; claim employment, agency, partnership, franchise, ownership, or exclusive territory; or alter approved logos.

There is no city, state, regional, national, or other territorial exclusivity. AXS may license or work with other trainers and businesses in the same market.

9 Materials confidentiality and quality control

Trainer-only materials remain the property of AXS or its licensors. You may use them only as expressly authorized. You may not resell, publicly distribute, upload, share, translate for distribution, provide them for third-party trainer education, or use them to create a competing certification program.

You must follow current Brand Guidelines, accurately describe your status, protect client safety, maintain professional conduct, and cooperate with reasonable quality-control requests. AXS may request correction or removal of non-compliant brand use.

10 Independent business

You are an independent business and not an employee, agent, partner, franchisee, joint venturer, or legal representative of AXS. You cannot bind AXS. You are responsible for taxes, insurance,

permits, facilities, client agreements, screening, safety, advertising, payments, refunds to your clients, data practices, and compliance with applicable law.

11 Suspension and termination

AXS may suspend or terminate membership for non-payment, fraud, material breach, unsafe or unlawful conduct, false status claims, unauthorized certification, serious professional misconduct, infringement, sharing protected materials, sublicensing, or unauthorized brand, studio, franchise, or territorial claims. AXS may act immediately where needed to protect clients, the public, the brand, or intellectual property and may otherwise provide notice and a reasonable opportunity to cure.

When membership ends, Active Licensed Trainer status, directory listing, licensed brand use, trainer-only materials, updates, community, and support end. You must stop current-affiliation claims immediately and remove licensed logos and other membership-dependent brand uses within five business days.

12 No guarantees

AXS does not guarantee directory placement for an incomplete or non-compliant profile, any volume of website traffic, inquiries, clients, employment, income, revenue, profit, business success, studio approval, franchise approval, or exclusivity. Benefits and platforms may reasonably evolve while AXS seeks to preserve the material value of membership.

13 Liability indemnity and disputes

To the fullest extent permitted by law, AXS is not liable for indirect, incidental, special, exemplary, or consequential damages, lost profits, lost opportunities, client claims, or losses arising from your independent business. AXS's aggregate liability relating to membership will not exceed membership fees you paid during the 12 months before the event giving rise to the claim. Non-waivable liability is not excluded.

You will defend, indemnify, and hold harmless InStars Inc. and its owners, officers, personnel, contractors, and licensors from third-party claims arising from your services, clients, facilities, advertising, unlawful conduct, material breach, or unauthorized use of intellectual property, except to the extent caused by AXS's own unlawful conduct.

The dispute-resolution provisions in the Trainer Certification Terms apply to this Agreement, including Florida law, a 30-day pre-dispute notice, binding individual AAA arbitration, the class-action and jury-trial waivers, the small-claims option, and AXS's right to seek injunctive relief in Miami-Dade County, Florida.

14 General and contact

This Agreement, the Brand Guidelines, Privacy Policy, and any accepted order terms form the entire agreement for membership. If a provision is unenforceable, the remainder continues. You may not assign or sublicense rights. AXS may assign this Agreement with its business or relevant assets. The English version controls to the extent permitted by law.

InStars Inc., 2335 NE 186th St, Miami, FL 33180, United States. Email: axs.intimflex@gmail.com.

Privacy Policy

Version 1.0 Effective date September 9, 2026

This Privacy Policy explains how InStars Inc. collects, uses, discloses, and protects personal information in connection with the AXS INTIMFLEX Academy website, Trainer Certification Program, Trainer Membership, directory, communications, and related services.

1 Information we collect

We may collect identifiers and contact data, including name, email, telephone number, country, city, age or date-of-birth confirmation, account information, and parent or guardian information for participants aged 16 or 17.

We collect transaction and enrollment information, including selected product, amount, currency, payment status, transaction identifier, acceptance records, dates and times, refund or cancellation history, and communications. Payment providers process card and bank data; we generally do not receive complete payment-card numbers.

We may collect Program and professional information, including assignments, examination results, feedback, certificate number and status, submitted practice photos or videos, teaching profile information, directory contacts, and membership status. If you voluntarily provide health or accessibility information, we use it only for the stated support, safety, or accommodation purpose.

We may collect device and usage data such as IP address, browser, device, pages viewed, referring source, language, approximate location, cookie identifiers, and interaction data through hosting, security, analytics, and similar technologies.

2 How we use information

We use information to process enrollment and payments; deliver the Program; operate messaging groups; review assignments and examinations; issue and verify certificates; administer membership and recurring billing; manage the trainer directory; provide support; prevent fraud and misuse; protect intellectual property; maintain security; comply with law; resolve disputes; and improve services.

Where required, we rely on consent for marketing, optional sensitive information, cookies, or other processing. You may withdraw consent prospectively, although withdrawal does not affect prior lawful processing.

3 How we disclose information

We may disclose information to service providers that support payment processing, hosting, email, customer support, messaging, video delivery, analytics, security, document storage, examination administration, and professional advisers. Current or anticipated providers include Stripe for payments and Telegram or WhatsApp for Program communications, depending on language and cohort.

If you elect a public trainer profile, approved profile information may be visible to website visitors and prospective clients. We may disclose information to comply with law, protect rights and safety, investigate fraud, enforce agreements, or complete a merger, financing, sale, or business transfer. We do not sell personal information for money.

4 International processing

We are based in the United States and may process information in the United States and other countries where providers operate. Privacy laws may differ. Where required, we use appropriate contractual or legal transfer mechanisms.

5 Retention

We retain information only as reasonably necessary for the purposes described, including service delivery, certificate verification, accounting, fraud prevention, intellectual property protection, and legal obligations. Enrollment, acceptance, transaction, and certification records may be retained for the period needed to verify credentials and defend legal claims. Practice submissions may be deleted or de-identified after assessment when no longer needed, unless retention is required for a dispute or authorized purpose.

6 Security

We use reasonable administrative, technical, and organizational safeguards. No transmission or storage method is completely secure. You are responsible for protecting account credentials and avoiding transmission of unnecessary sensitive information through ordinary email or messaging services.

7 Your choices and rights

Depending on your location, you may have rights to request access, correction, deletion, restriction, portability, objection, withdrawal of consent, or appeal. Rights may be limited by verification needs, legal obligations, certificate integrity, fraud prevention, and legal claims.

You may opt out of marketing messages using the provided link or by contacting us. Transactional and Program communications may continue while you are enrolled. You may control cookies through available consent tools and browser settings, although disabling necessary technologies may affect the service.

8 Minors

Services are not directed to persons under 16. A participant aged 16 or 17 must have a parent or legal guardian accept the applicable terms and consent to necessary processing. We may delete information if we learn it was collected from a person under 16 without valid authorization.

9 Third-party services

Stripe, Telegram, WhatsApp, social networks, and other linked services operate under their own privacy terms. We are not responsible for their independent practices. Review their policies before providing information.

10 Updates and contact

We may update this Policy and will post the revised version and effective date. Material changes will be communicated when required. Questions and privacy requests may be sent to axs.intimflex@gmail.com or InStars Inc., 2335 NE 186th St, Miami, FL 33180, United States. We may verify identity before completing a request.

Website Terms of Use

Version 1.0 Effective date September 9, 2026

These Terms govern use of the AXS INTIMFLEX Academy website and public website content operated by InStars Inc. Purchases and memberships are also governed by their specific agreements.

1 Eligibility and permitted use

You may use the website only for lawful personal or legitimate business evaluation purposes. Persons under 16 may not use purchase or enrollment functions. You must provide accurate information and may not attempt unauthorized access, scrape or copy protected content, introduce malicious code, disrupt the site, bypass security, impersonate others, or use the site to violate rights or law.

2 Purchases and specific agreements

Trainer Certification purchases are governed by the Trainer Certification Terms. Trainer Membership is governed by the Trainer License and Membership Agreement. If a specific agreement conflicts with these Website Terms, the specific agreement controls for that product.

3 Intellectual property

The website and its text, design, photos, video, graphics, logos, trademarks, course descriptions, and other content are owned by or licensed to InStars Inc. No rights are granted except the limited right to view and use the website as intended. You may not reproduce, publish, sell, modify, create derivative works, remove notices, or use AXS INTIMFLEX branding without written permission.

4 Information and third-party services

We may correct errors, update content, change availability, or withdraw offers before acceptance. Links and integrations may lead to independent services such as payment, messaging, video, and social platforms. Their terms and practices apply to their services.

5 No medical or earnings advice

Website content is general fitness and educational information. It is not medical diagnosis, treatment, emergency advice, legal advice, tax advice, or a guarantee of health, certification, employment, clients, income, or business success. Review the Health and Fitness Disclaimer.

6 Disclaimer and liability

To the fullest extent permitted by law, the website is provided as available without warranties not expressly stated. InStars Inc. is not liable for indirect, incidental, special, exemplary, or consequential damages, lost profits, lost data, or loss of opportunity arising from website use. Aggregate liability for a free website claim will not exceed USD \$100. Product-related liability is governed by the applicable product agreement. Non-waivable liability is not excluded.

7 Indemnity

You agree to indemnify InStars Inc. and its owners, officers, personnel, contractors, and licensors against third-party claims arising from your unlawful website use, infringement, unauthorized brand use, or material breach, except to the extent caused by InStars Inc.'s own unlawful conduct.

8 Disputes and general terms

The dispute-resolution provisions in the Trainer Certification Terms apply to website disputes, including Florida law, 30-day written notice, binding individual AAA arbitration, class and jury waivers, small claims, and intellectual-property relief in Miami-Dade County. Mandatory non-waivable rights remain.

If a provision is unenforceable, the remainder continues. We may update these Terms prospectively by posting a revised version. The English version controls to the extent permitted by law. Contact: axs.intimflex@gmail.com.

Health and Fitness Disclaimer

Version 1.0 Effective date September 9, 2026

AXS INTIMFLEX content and training involve physical activity. Read this Disclaimer before participating and stop if activity is not appropriate for you.

1 Educational fitness content

The website, Program, sessions, videos, feedback, and materials provide fitness and educational information. They do not provide medical diagnosis, treatment, physical therapy, mental-health care, emergency services, or individualized medical advice. Certification does not make a trainer a physician or licensed healthcare provider.

2 Medical clearance

Consult a qualified healthcare professional before participating if you are pregnant or postpartum; have pelvic-floor symptoms, pain, bleeding, dizziness, fainting, cardiovascular concerns, recent surgery or injury, a chronic condition, or any concern about exercise. Follow professional restrictions. Do not delay medical care because of AXS content. For an emergency, contact local emergency services.

3 Assumption of risk

Physical activity carries inherent and other risks, including muscle strain, pain, falls, loss of balance, aggravation of an existing condition, and serious injury. You choose your space, equipment, intensity, and participation. Use a safe area, stop immediately if you feel pain, dizziness, shortness of breath, bleeding, numbness, or another concerning symptom, and seek appropriate help.

4 Individual results

Bodies, health histories, consistency, and results differ. InStars Inc. does not promise a particular physical, health, sexual, emotional, certification, employment, client, or financial result. Testimonials describe individual experiences and are not guarantees.

5 Minors and independent trainers

Participants aged 16 or 17 require parent or legal guardian authorization. Independent Certified Trainers are responsible for their own client screening, instruction, facilities, insurance, emergency planning, and professional scope. Their services are not controlled or supervised by InStars Inc. solely because they hold a certificate or membership.

6 Liability and non-waivable rights

To the fullest extent permitted by law, you accept the ordinary risks of voluntary participation and release InStars Inc. and its personnel from claims arising solely from those accepted risks or your failure to follow instructions. This does not waive liability or consumer rights that cannot lawfully be waived and does not excuse intentional misconduct or other liability that law prohibits limiting.

7 Contact

InStars Inc., 2335 NE 186th St, Miami, FL 33180, United States. Email: axs.intimflex@gmail.com.
